ACTIVITY REPORT

Name of the activity	Compost Plant	
Type of activity	GREEN CAMPUS INITIATIVES	
Date and time of activity	16/05/2024	09.30AM
No. of participants	28	
Coordinators	Ms. Deepti D. Phadte	
Description	The principal addressed the gathering and welcomed the guest. The HOD explained and allotted the responsibilities to the concerned coordinators and students. Compost, crumbly mass of rotted organic matter made from decomposed plant material, used in gardening and agriculture. Compost is especially important in organic farming, where the use of synthetic fertilizers is not permitted. Compost improves soil structure, provides a wide range of nutrients for plants, and adds beneficial microbes to the soil. Students were grouped at allotted various areas in the campus, Biomaterial was collected and sorted decomposable material was added in the compost pit and was covered with soil for 15 days. Finally, HOD delivered the vote of thanks and all the coordinators & participants were appreciated.

Type of activity	GREEN CAMPUS INITIATIVES – CAMPUS CLEANING PROGEAMME	
Date and time of activity	06/04/2023	10.30AM
No. of participants	30	
Coordinators	Ms. Deepti D. Phadte	
Description	The principal addressed the gathering and welcomed the guest. The HOD explained and allotted the responsibilities to the concerned coordinators and students. Plastic Pollution is affecting the whole earth, including mankind, wildlife, and aquatic life. With an objective to make everyone realize the harmful impact it has on our lives and urge them to adopt a plastic-free life style. The students undertook a pledge to protect the environment from the toxic plastics by keeping their homes free of plastic materials like Polythene bags, boxes, bottles, glasses, plastic containers, straws etc. and also promised to spread awareness among their friends and relatives. The interactors showed their deep concern towards environment by designing e posters which brought out their reflective ideas on how plastic is polluting oceans, lands, our biodiversity, human health and pristine beauty of the earth. Finally, HOD delivered the vote of thanks and all the coordinators & participants were appreciated.

ACTIVITY REPORT

Name of the activity	Tree Plantation	
Type of activity	GREEN CAMPUS INITIATIVES – GUEST LECTURE ON PLANT MORE TREES	
Date and time of activity	23/02/2023	11.0AM
No. of participants	42	
Coordinators	Ms. Deepti D. Phadte	
Description	The principal addressed the gathering and welcomed the guest. The HOD explained and allotted the responsibilities to the concerned coordinators and students. Tree plantation is a process where a large number of trees or seedlings are planted for land reclamation or landscaping. Planting large numbers of trees helps to purify the polluted air that we breathe in. Plants play a big role in our ecosystem by maintaining a balance among all the elements that are present in nature. Planting more trees also helps to keep in check the climate conditions of a place. A lecture to plant more trees was conducted. Finally, HOD delivered the vote of thanks and all the coordinators & participants were appreciated.

Date and time of activity	31/01/2022	10.30AM
No. of participants	30	
Coordinators	Ms. Manali Vaidya	
Description	The principal addressed the gathering and welcomed the guest. The HOD explained and allotted the responsibilities to the concerned coordinators and students. It is said that Cleanliness is next to godliness, it is easy for students to forge bout hygiene at college when they're busy with extracurricular activities coursework, and social lives. Even though the college campus is kept clean, it is very important for students to know the importance of this. Therefore, guest lecture on plastic free campus was conducted at V P college of Pharmacy where students cleaned areas of the campus. At the end of day Principal sir congratulated all the students for their active participation and also thanked the coordinators for successfully conducting the cleanliness drive.
