Resource Person	Dr. Mahesh Patil	
Coordinators	Ms. Manali A. Vaidya	
Description	<p>The principal addressed the gathering and welcomed the guest. The HOD introduced about the guest and handed over to the speaker.</p> <p>The speaker, Mr. Mahesh Patil, stated that while writing a research proposal you are aiming to produce a concise, clear summary of a proposed research project. This may form part of your academic studies, but often it is written to obtain the funding or resources needed to undertake the research. The proposal will need to be tailored to your audience, who may be academic supervisors, an organisation or an external funding body, but many of the principles of writing a research proposal remain consistent.</p> <p>And lastly he concluded about the approaches used for prediction of human pharmacokinetics of protein drugs.</p> <p>Finally the HOD delivered the vote of thanks and the guest was felicitated with a memento.</p>
