Description	VP College of Pharmacy had conducted a Skill development program on "SOFT SKILLS AND INTERPERSONAL SKILLS" on 15.02.2023 at 10.30 AM in Seminar hall. In this occasion students and teaching staff actively participated in this program. The workshop is a way to teach students "soft skills" that will help them pass entrance exams for jobs. The session was started by a resource person, who then took over and gave a lecture on how to be a good leader. He then went on to talk about how important leadership skills are at different places of work. The next part of the session was about communication skills. Strategies for improving communication were shown, which led to good results in all areas.

Description	In this our Principal Dr. Shingade S. G. Garu delivered a few words regarding the importance of Time Management and Public Speaking Skills Practicing good time management is one the most important soft skills that you can have in the workplace. It ensures increased productivity, high-quality work, improved confidence in one's ability to do the job efficiently, and on-time delivery of time-sensitive assignments. Both the teachers and the students took an active role in the programme this time. In this talk, teacher and administrator Principal garu talked about how important it is to be able to manage your time and speak in public. Time management is one of the most important soft skills you can have at the office. It ensures better results, better work, more confidence in the person's ability to do the job, and on-time delivery of time-sensitive tasks. And he also said, "To understand that communication is a two-way process in which the listener gives the speaker feedback on how well they are doing." To get better at listening, organizing, adapting to different audiences, and giving speeches. All speeches have one of three main goals: to inform, to persuade, or to entertain. Depending on what your end goal is, you will start by choosing one of these general purposes and then choose a speech pattern that fits with that general purpose" on Public Speaking Skills. About 130 students took part in this programme, which made

Description	Mr M. Sabu,Knowledge Solutions VP College of Pharmacy has conducted a Skill development program on "RESUME WRITING" on 02.03.2020 at 10 AM in Seminar hall. In this occasion students and teaching staff actively participated in this program. In this our principal Dr. Shingade S. G. Garu delivered a few words regarding the importance of Resume Writing Skills. A resume objective is a short introduction of you and your career goals. To write a resume objective, mention the job title you want, add 2-3 key skills, and explain what you want to achieve in this job. Write 2-3 sentences. Resume objectives are best for candidates with little work experience. A resume objective is an eye-catching statement of your career intent that's placed on top of your resume. The resume objective provides a 2-3 sentence snapshot of your professional experience, skills, and achievements, and explains why they make you the right candidate for the job". In this programme 120 students and teaching staff participated and made the program success.
